SACKVILLE COLLEGE SAFEGUARDING

The Trustees of Sackville College are committed to the safeguarding, care, and nurture of all our residents.

They recognise that safeguarding is everyone's responsibility, and we are committed to implementing all safeguarding policies and practice guidance issued by the Almshouse Association.

We will carefully select and train all those who work or volunteer in positions of trust. We will use the Disclosure and Barring Service, amongst other tools, to check the background of each person.

We will respond, without delay, to every concern made that a person for whom we are responsible may have been harmed.

We will co-operate fully with statutory agencies during any investigation concerning a resident.

We will seek to ensure that anyone for whom we have pastoral responsibility who has suffered abuse is offered support that meets their needs.

We will respond appropriately to those who have committed sexual offences who wish to join the Sackville Community following advice and guidance.

We will review this policy annually and as part of this process will ensure that all our procedures, particularly in relation to the Disclosure and Barring Service, are up to date.
